MANAGEMENT MADE EASY

The **CallConnect Digital Signage System** integrates directly with your PoS ticket system to automatically pull movie details and display posters so no need for daily manual configuration. And with our **CallConnect Cloud Server** option, no on site server is required.

ANY DISPLAY. ANY SIZE. ANYWHERE.

Specialized display sizes are not a problem. **CallConnect** scalable open hardware platform allows you to choose the right size display for the location whether its for your digital menu boards, lobby & bar area advertisements, or customer waiting areas. Each screen is custom designed to deliver your target message from a single TV to an entire video wall.
