

FLEXIBLE SELF-SERVICE OPTIONS: No matter what level of service you offer, QR Code Technology gives your guests mobile service options without complicating your operations at **LITTLE to NO EXTRA COST!**

REDUCE LABOR COST ● REDUCE SERVICE TIMES ● FLEXIBLE & EASY TO TRY

1

QR CODE VIRTUAL CALL BUTTON

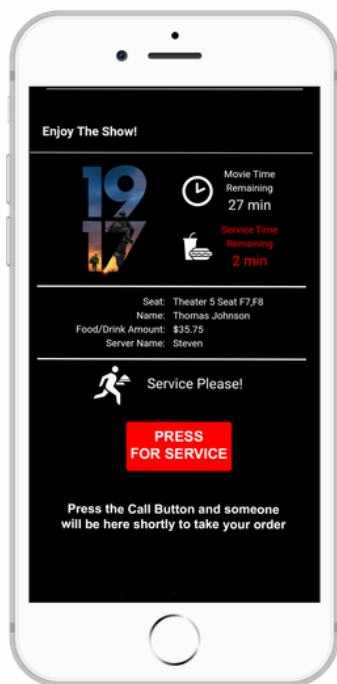

Installed at the seats, guests scan a QR code to call for service.

Scan For Service!

TRY IT NOW!

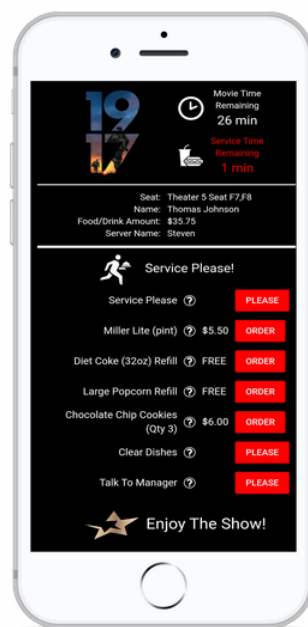

Scan the QR code to see it work, then call Venue Valet to get it working at your venue today!

2

PLACE QUICK REQUESTS

Provide guests a way to request certain Food & Beverage items without employees having to run to the seat.

3

ORDER F&B

Enable the guest to place and view their order and close out their tab

All service requests placed by guests with their phones are displayed on CallConnect screens which relays request details and exact seat location to your staff.
